

Dan Random Releases “Butter Bean Beach” A Laid-Back Ode to Coastal Georgia

July 2025

Savannah, GA - Independent artist **Dan Random** returns with the second music video from his latest album *Still*, a nostalgic, sun-drenched visual for the track “**Butter Bean Beach**” The video is now live on [YouTube](#).

Named after a real beach near Savannah, Georgia, **Butter Bean Beach** reflects the laid-back charm and slower pace of local life along the coast.

“It was a lot more relaxed than your standard beaches,” Dan shares. “This song and video are really about my love for the sun, the water, and that feeling of letting go.”

The music video was shot on location across **Savannah, St. Simons Island, and Jekyll Island**, using a **1970s Soviet Russian lens** to create a vintage, nostalgic feel. The result is a warm, coastal visual that perfectly matches the track’s smooth, reflective tone.

Butter Bean Beach follows Dan’s previous release **Walking to the Beach** and continues the video rollout for his 12-track album *Still*, available now on [Spotify](#) and [Bandcamp](#). Physical CDs featuring a bonus hidden track are available directly through his [website](#).

Beyond music, **Dan Random is also expanding his creative universe**. He’s currently re-releasing his original sci-fi novel, this time with a fully composed soundtrack that connects the book’s narrative to the musical themes heard throughout *Still*—blending storytelling, sound, and imagination in a truly cross-media experience.

About Dan Random

Dan Random is the musical identity of Daniel Cowan, whose work fuses coastal Americana, alt-rock, and reflective storytelling. His latest album *Still* brings together sun-soaked melodies, raw emotion, and visuals that celebrate simple moments and deep memory. With each project, Dan continues to blend art, sound, and story into one cohesive experience.
